ORDINANCE No. 933

**AN ORDINANCE OF THE CITY OF VERNONIA AMENDING
THE CITY LIMITS BY REMOVING ONE TERRITORY**

The City of Vernonia Ordains:

WHEREAS, ORS 222.460 provides that the legislative body of a city may order the withdrawal of territory from the city limits when it determines that it is in the public interest to take such action; and,

WHEREAS, ORS 222.460 further sets out procedures for withdrawing territory, including information that must be contained in city resolutions of initiation, requirements for public hearings, thresholds for when elections are required, and disposition of taxes and assessments; and,

WHEREAS, the Vernonia City Charter addresses the withdrawal of territory from the City limits in footnote number 9; and,

WHEREAS, Darrel Dixon, property owner, is requesting the removal of one property from the City, tax lot 4N4W03CA02200, 0.37 acre, a property adjacent to city boundary and Vernonia lake, containing the Nehalem River, currently zoned Residential (R) but is not buildable due to the floodway and natural resources setbacks; and,

WHEREAS, the Residential zoning designation of the tax lot is misleading, due to a prohibition on development due to its size, location within a Flood Way and natural resources setbacks, and because no urban development of any kind would be permitted on this property individually; and,

WHEREAS, removing tax lot 4N4W03CA02200 from Vernonia would allow the property owner to perform a lot line adjustment between the subject property and an adjacent property located in Columbia County to make the adjacent property buildable for a desired use as a 'fishing accommodation'; and

WHEREAS, Darrel Dixon has consented to the withdrawal of tax lot 4N4W03CA02200; and

WHEREAS, in conformance with ORS 222.460 the City held a public hearing on September 7, 2021 to initiate, by resolution, the process to de-annex property from the City limits; and at said hearing the City Council adopted a resolution initiating the process and setting a second hearing for September 20, 2020; and,

WHEREAS, in conformance with ORS 222.460 the City held a second public hearing on September 20, 2021 to a) allow the public an opportunity to comment on the proposed limits of the areas to be removed from the City limits, b) declare that it was in the public's best interest to have the property removed from the City limits, c) declare that no election would be required for the de-annexation because the City did not receive the required 15% of written requests from the public to hold such an election (the City did not receive any

such requests, as the property owner requested the property be removed from City Limits), and d) set a final hearing date for October 18, 2021; and,

WHEREAS, in conformance with ORS 222.460 the City held a third and final hearing on October 18, 2021 to adopt Ordinance 933 to formally remove the property from the City limits, and on October 18, 2020 the City Council adopted said Ordinance; and,

WHEREAS, the City Council is entrusted by the development code to make decisions on legislative matters that require application of high levels of discretion; and,

WHEREAS, no objections were filed in writing with the City Recorder, but all comments were heard and considered at the public hearings; and,

WHEREAS, the Vernonia City Council upon consideration of all testimony, comments, the staff reports and findings contained in this ordinance determined that removing the property is appropriate and necessary to better achieve the goals and policies of the City's Comprehensive Plan and State requirements;

NOW THEREFORE, the City Council of Vernonia does ordain as follows:

Section 1. The City Council changes the boundary of the City of Vernonia by means of a withdrawal of one territory (property) from the City limits (the urban growth boundary will not change with this action); and,

Section 2. The territory to be withdrawn from the City of Vernonia is real property in the County of Columbia, State of Oregon, described as follows:

1. The real property identified as tax lot 4N4W03CA02200, 0.37 acre, property located adjacent to the city boundary and Vernonia Lake on Mist Drive, privately owned. The full legal description is attached.

The territory and new City Limits are further illustrated on the Columbia County Assessors Cadastral Maps attached, and legal description attached as Exhibit A; and

Section 3. The City Council held a public hearing at 7:00 pm on October 18, 2021 at which time City residents could appear and be heard on the question of the withdrawal of this territory; and,

Section 4: Under the provisions of the City of Vernonia Charter of 1998, Chapter VIII, this ordinance will take effect in 30 days from the date of decision.
